CONNECTING YOU
WITH THE RIGHT PROFESSIONAL
FOR YOUR HEALTH CARE GOVERNANCE NEEDS

The GCE Consultant Referral Service

This service provides assistance to hospitals and health care organizations in the selection of consultants for specific hospital governance needs.

Consultant expertise covers a wide range of areas. Below is a list of participating consultants and the services they provide. Whether for a board retreat, an educational session, a board meeting or for general governance consulting requirements, this service is the right one for you.

Professional fees will be negotiated between the client and the consultant.

This Referral Service is Free for Member Hospitals

The Governance Centre of Excellence assists member hospitals in quickly and efficiently locating the right consultants for their needs and ensure that hospitals are able to identify professionals in the consultancy profession.

For the most up to date list of consultants and a full description of services, as well as complete consultant profiles, tips and frequently asked questions, please visit the GCE website at www.gce-oha.com/consultants

For additional information please contact Lina Pallotta at 416-205-1313 or lpallotta@oha.com
